ABOUT THE INSTITUTION

Jaya Engineering College is a premier technical institution approved by AICTE and affiliated to Anna University, Chennai, offering under graduate and post graduate degree course in Engineering and Technology, Business Administration and Computer Application. The Institutions has been established by Jaya Educational Trust, imparting excellent education through 21 educational institutions offering courses in Medicine, Paramedical and Arts and Science besides running metric school catering the needs of the society. The institutions are managed by the Chairman **Prof. A. KANAGARAJ** a great visionary, who has been a pioneer in offering excellent education, the secretary **Mrs. K. VIJAYAKUMARI** a dynamic personality who has been the key personality to shape the dream into reality in offering excellent education, **Er. K. NAVARAJ**, Vice Chairman who has been promoting innovation and imparting world class education and **Dr. K. VIJAYARAGHAVAN** is the principal of Jaya Engineering College.

The College was started in the Year 1996-1997. The College is affiliated to Anna University and approved by AICTE offering B.E./B.Tech Programmes in EEE, ECE, CSE, IT, EIE, Civil, Mechanical, Textile, Aeronautical etc. The College also offers PG Programmes leading to conferment of MBA and MCA Degrees. All eligible Engineering Departments are accredited by NBA, AICTE, and New Delhi. The College has excellent infrastructural facilities, which facilitate hands on experience to students to master their skills in various disciplines. Management sponsors teaching faculty to acquire higher qualifications leading to Doctoral degrees.

ABOUT THE DEPARTMENT

The Mechanical Engineering Department was started at the time of inception of the college in 1994. The department offers four years B. E (Mechanical Engineering), M.E (Engineering Design) and Ph.D programmes in Mechanical Engineering. The department has a team of highly qualified, dedicated and motivated faculty and well equipped laboratories with facilities for UG, PG Programmes and research.

The department plan academic courses and projects to endow students with the ability to apply knowledge of science, and engineering, and the capability to work effectively in multidisciplinary teams, providing leadership and technical expertise.

ABOUT THE ISTE

The Indian Society for Technical Education is a national, professional, non-profit making Society registered under the Societies Registration Act of 1860. First started in 1941 as the Association of Principals of Technical Institutions (APTI), it was converted into "Indian Society for Technical Education" in 1968

with a view to enlarge its activities to advance the cause of technological education. The major objective of the ISTE is to assist and contribute in the production and development of top quality professional engineers and technicians needed by the industries and other organizations. Being the only national organization of educators in the field of Engineering and Technology, ISTE effectively contributes in various missions of the Union Government. The Ministry of Human Resource Development, CTE/DST/MIT/State Government are well associated with the ISTE for programs relating to technical education.

OBJECTIVE OF THE FDP

- To develop engineering graphics technique and transfer the knowledge to the students by the engineering teaching faculty at national level.
- To develop in students' graphic skill for communication of concepts, ideas and design of engineering products and expose them to existing national standards related to technical drawings by the teaching faculty.
- To update the various engineering graphics techniques and methods adopted in India.
- To provide an enriched platform for interaction to disseminate knowledge between academicians and practitioners about the engineering graphics.

REGISTRATION DETAILS

Registration from the participants are to be sent in the prescribed format duly attested by the Head of the Institution along with the registration fee in the form of a demand draft drawn in favour of "Jaya Engineering College", payable at Chennai.

REGISTRATION FEE

Industrial Delegates : Rs.2500
Faculty Members (Non ISTE member) : Rs.1000
Faculty Members (ISTE member) : Rs.250
Registration of delegates will be limited to 60 on first come first serve basis.
