

JAYA ENGINEERING COLLEGE

MoU with Chonbuk National University

MEMORANDUM OF UNDERSTANDING

I GENERAL

This Memorandum of Understanding between **Jaya Group of Colleges, Affiliated to Anna University, Chennai** and **Chonbuk National University, Republic of Korea** expresses the intent to pursue academic collaboration for mutual benefit of both parties, their faculties, staff and students.

II BACKGROUND

INTRODUCTION OF JAYA GROUP OF COLLEGES

The Jaya Group of Colleges is one of the foremost centers of undergraduate, postgraduate, and professional education in the State. With scores of academic programmes, the Group attracts thousands of students who attend each semester. The Group combines all the advantages of a comprehensive institution with a full complement of professional schools. Among these are Engineering, Arts, Commerce, Sciences, Life Sciences, Education, Fashion, Information Technology, Catering, Biotechnology, Textile Technology and an unusually complete array of health sciences including Pharmacy, Physiotherapy, and Dentistry.

The Group has high reputation of providing quality education both in terms of quality and range of opportunities.

The Group is entering into bilateral agreements with several universities in the majority of European Union and North American Countries. It is expected that collaborative activities will lead to an increasing flow of students in faculty, both incoming and outgoing, between the Jaya group and foreign universities.

Chonbuk National University, located at Jeonju, Korea is one of the National Universities in the Republic of Korea. Chonbuk National University offers a comprehensive range of strong undergraduate degree programs and an array of nationally recognized masters and doctoral programs.

Chonbuk National University keeps close relationship with dozens of universities across the world, maintains exchange activities including exchange of faculty and students, develops academic resources, and engages in collaborative research and training..

III AGREEMENT OF COOPERATION

The scope of the agreement is intended to promote scholarly exchange between CHONBUK NATIONAL UNIVERSITY and JAYA GROUP OF COLLEGES towards enhancing cordial relations between the Government of the Republic of Korea and the Government of India. Chonbuk National University and Jaya Group Of Colleges intend to pursue a broad spectrum of cooperative and academic endeavors, including the following:

- I) In order to promote academic excellence, Jaya Group Of Colleges will provide academic programs to the students and staff of Chonbuk National University at reasonable cost.
- II) Initially, the academic program will include Automobile, Mechanical, English Language, and other relevant programs.
