Outcome	The Students came up with their inspirators. They created Poster presentation about the Entrepreneurs who achieved the altitudes with their Attitudes. Each one's Presentation, really meant both successful careers and also has their contribution towards the society. Thus it shows, how the young minds has set to initiate their career growth.		

Entrepreneurship Development Cell conducted a Poster Presentation on the ” **World Entrepreneurship Day-Poster Presentation**” held on 21/08/2023 Monday, through offline mode, at Textile CAD Lab, Textile Block in our institution. The Event started at 11.00 A.M with a warm welcome address by the Mr.S.Karthik, Assistant Professor, Department of Textile technology, JEC.

The session was started by the resource person **Prof.L.Nagarajan**, on “**Entrepreneurship in campus**”. The resource person has kindled the curiosity of the entire student participants on their innovative thinking and idea formulation, which is incubated within campus and encouraging them to follow the goal towards their career growth. The session mainly focused on the current Small start-ups and their founders, who are from the campus by itself and their step-by -step achievements.

Also Our **Principal Dr.S.ShankarNarayanan** inspired the participants by his encouraging speech. Also Our IIC vice President **Dr.G.Kalarani, Head & Professor, EIE**, motivated the participants by her extra-ordinary statistical notifications taking the Program towards newer height. Then every Participants Presented their Posters about the Entrepreneurs who achieved the altitudes with their Attitudes. They had their own plan and action in achieving their goal And Explained thus.

The vote of thanks was delivered by **Dr.C.Kayalvizhi**, Professor & Head, Department of ECE, Jaya Engineering College. She initially thank to the management, Principal and gave best wishes to all students and faculty members for delightful and successful day. As per the feedback received from the participants it was very good experience, this Presentation helped them in understanding the Entrepreneurship, Creative thinking along with Emerging Technologies.
