

JAYA ENGINEERING COLLEGE

CTH Road, Prakash Nagar, Thiruninravur, Chennai - 602024

DEPARTMENT OF TEXTILE TECHNOLOGY

WORKSHOP

REPORT

Event Title	“Prototype/Process Design & Development”		
Resource Person	Dr.C.Kayalvizhi Department of Textile Technology		
Academic year	2023-2024		
Organizing by	Department of Textile Technology. Jaya Engineering College.		
Program Type (Workshop / Motivation speech / Field Visit / Competition / Others)	Workshop		
Start date & End Date (DD/MM/YYYY)	08-05-2023	08-05-2023	
Duration of the activity (in Mins) & Start Time & End Time	Duration:3 hours	Start Time: 10.00 AM	End Time: 1.00 PM
Participants	Students: 12	Faculty: 5	External: 00
Mode of session (online / offline)	Offline		
Event coordinator	S.Karthik		
Target Participants	III & IV Year students from Departments of Textile Technology. Jaya Engineering College.		
Outcome	The students had understanding on basic process design and its nature. They learned about different types of process based on the methodology and its applications, On this day. The students were aware that learning every new work that too hands on practice, will help them to activate their area of interest in every process and its procedures.		

Department of Textile Technology conducted a workshop on the "**Prototype/Process Design & Development**" held on 08-05-2023 through offline mode, at Textile CAD Lab, Textile Block in our institution. The Event started at 10.00 A.M with a warm welcome address by the Mr.S.Karthik, Assistant Professor, Department of Textile technology, JEC.

The session was started by the resource person **Dr.C.Kayalvizhi**, on "**Prototype/Process Design & Development**". The resource person has kindled the curiosity of the entire student participants on their innovative thinking and idea formulation to expand the workmanship with efficient operations. The session mainly focused on **Evaluating the process and Eliminating the deviations through the consistent process.**

In the beginning **the Resource Person** gave the introduction on how the basic procedures will be followed for the general process design. Later Madam Speaker, clearly explained the different types of Process design & its applications. She Explained along with the Career growth and about challenges involved in process design. The vote of thanks was delivered by **Mr.L.Nagarajan**, Professor, Department of Textile Technology, Jaya Engineering College. He initially thank to the management, Principal and gave best wishes to all students and faculty members for delightful and successful day. As per the feedback received from the participants it was very good learning experience, this workshop helped them in understanding, about creating new prototype and process design in any field.
