## 18. Best Practices adopted, if any

### **The practice:**

- The learner-oriented method of teaching is adopted, and the effectiveness and the consistency of the teaching method are ensured by regularly monitoring the performance of the students.
- In order to make the teaching-learning process simple and interesting, various modern teaching methods are adopted like mooc, moodle, google class room, etc.
- By conducting class committee meeting, the difficulties encountered by students in studies are identified, analyzed, and appropriate corrective measures are put into action.
- Since every teaching effort made is directed towards the quality, the effectiveness of teaching process is analyzed by getting regular feedback from the students.
- The students are encouraged to do project works in industries to get industrial exposure with latest technological developments.
- Guest lectures are arranged by inviting eminent persons from the industry, academic institutions, and also from social workers in order to guide the students in various aspects.
- Students are motivated to present papers in national and international conference / journals.
- Students are counseled and advised to equip themselves to achieve strength and to acquire knowledge.

Alumni are invited to share their industrial experience for the benefit of the students.
