ABOUT THE COLLEGE

Jaya Engineering College a premier technical institution approved by AICTE and affiliated to Anna University was established in 1995 with a focus on technological innovation, entrepreneurship and character building in the students. The institution has been established by Jaya Educational Trust, imparting 12 excellent educations through 21 educational institutions offering courses in medicine, paramedical and arts & science besides running many schools, catering the needs of the society. The college management team consists of well experienced and committed Academicians and Administrators.

ABOUT THE DEPARTMENT

Our Department celebrates its 16th Anniversary this year. It offers B.Tech (Textile Technology) since 1995, and M.Tech since 2003. B.Tech is accredited by National Board of Accreditation. The Department is expected to be recognized as Centre for Research (for Ph.D) by Anna University shortly. It has qualified and experienced faculty members (2 faculty members – Recognised guides for PhD in Anna University Chennai; 7 faculty members are pursuing PhD). Over the years, it has accumulated a strong alumni base both within Tamilnadu and India as well as abroad

ABOUT THE WORKSHOP

Clothing performs a range of social and cultural functions, such as individual, occupational and sexual differentiation, and social status. In many societies, norms about clothing reflect standards of modesty, religion, gender, and social status. Clothing may also function as a form of adornment and an expression of personal taste or style.
