REPORT

The Institution's Innovation Council (IIC) of the Department of Civil Engineering at Jaya Engineering College organized a motivational session for first and second-year Civil Engineering and EEE students on June 5, 2024. The programme was held at EEE/CIVIL block, JEC at 02.00 p.m. In celebration of World Environment Day on June 5, 2024 focused on the theme "Land restoration, halting desertification and building drought resilience" under the slogan "Our land Our future". To promote environmental awareness and action, the department implemented an innovative approach by having students from all streams take oaths in their respective classes.

"We, the staff and students of JEC, pledge to do everything in our power to protect, preserve, and enhance the beauty and glory of Mother Earth. We recognize our responsibility to sustain the only habitable planet, 'Mother Earth,' and to preserve it as a gift for future generations." In celebration of World Environment Day, saplings were planted on the college premises with the participation of the Department faculty and students. The program was successfully coordinated by Mrs. V.R. Raji, Asst. Professor and Mr.M.Ponraj, Asst. Professor, Department of Civil Engineering. Dr. S.Needhidasan, Professor and Head of the Department, JEC delivered the vote of thanks.
