Respected Sir /Madam,

Sub: Requesting permission for conducting Hands on Training on DOT NET Application Development for II & III Year MCA students-reg.

For the III Year MCA students we have two Laboratory MC7511-Advanced Internet Programming Laboratory and MC7512 – XML and WebServices Laboratory . In these Laboratories 6th and 7th exercise (MC7511) and 9th exercise (MC7512) are DOTNET Application .It requires experts training from industry.

For this we have arranged our prestigious alumni **Mr.R.Raghu Kumar, Software Engineer II, Logitech India Pvt Ltd, Chennai** to conduct Hand on training on DOTNET Application Development .We planned to organize a **“Hands on Training on DOT NET Application Development”** on **25/08/2018 9:00 AM to 12:00 Noon**. It will be very helpful for the III year and II Year MCA students to get knowledge about Application Development.

I kindly request you to approve the same.

Thanking You,

18/08/2018
Thiruninravur.

Yours Sincerely,
