Respected Sir /Madam,

Sub: Requesting permission for conducting Seminar on Cloud Infrastructure for II & III Year MCA students-reg.

For the III Year MCA students we have a Subject MC7502-Service Oriented. In this subject entire 5th unit covers the concept of Cloud computing. So they need experts lecture and real time implementation from industry.

For this we have arranged our prestigious alumni **Mr.K.Karthick Narayanan, Project Manager, Infosys, Chennai** to deliver a seminar on cloud infrastructure .He is one of the expert in cloud architecture. We planned to organize a **"Seminar on Cloud Infrastructure"** on **28/07/2018 10.00 AM to 12:00 Noon**.   It will be very helpful for the III year and II Year MCA students to get knowledge about Cloud Infrastructure.

I kindly request you to approve the same.

Thanking You,

24/07/2018   Yours Sincerely,
Thiruninravur.
