Webinar on Industrial Applications of Sensors and Transducers

Date : 30.10.2021

Time: 2 .00 pm to 4.00 pm (2 Hrs)

RESOURCE PERSON

Mr. G.VISHVESHWARAN (2015-2019 BATCH)

Senior Procurement Engineer

Kawman Pharma

No. of Participants: 34

The objective of the webinar **Industrial Applications of Sensors and Transducers** is to trigger the instrumentation engineering students by imparting the knowledge about the sensors and transducers in various industrial applications. The webinar elaborated the usage of RTD, Thermocouple, bio sensors in Pharma industries. Selection parameters of sensors were also discussed in the session. The session ended with scope of instrumentation in various fields.
