## Report on World Wetlands Day Celebration at Jaya Engineering College

Jaya Engineering College celebrated **World Wetlands Day** on **February 02, 2023**, through an event organized by the Green Club. The event, held on the EEE/Civil Block, started **at 10:00 a.m.**, with a warm welcome address from **Mrs. V. R. Raji**, Assistant Professor, Department of Civil Engineering, and in charge of Green Club activities.

The Principal of Jaya Engineering College, **Dr. K. L. Shungamuhanathan**, delivered a special address, emphasizing wetland conservation is aimed at protecting and preserving areas of land including marshes, swamps, bogs, and fens that are covered by water seasonally or permanently due to a variety of threats from both natural and anthropogenic hazards. The key message of the day was shared by **Dr.S.Needhidasan**, the Resource Person for the event, who highlighted the theme of **World Wetlands Day** - The theme of WWD-2024 is 'Wetlands and Human Wellbeing' which underscores the critical role wetlands play in enhancing our lives. It highlights how wetlands contribute to flood protection, clean water, biodiversity and recreational opportunities, all of which are essential for human health and prosperity. At **10:30 a.m.**, the college organized World Wetland Day- by conducting various competitions including, Painting, slogan writing, quiz and declamation to mark the celebration of World Wetlands Day. Several students participated in these competitions, and winners were awarded prizes, while all participants received certificates.

The event saw the participation of **51 members**. The participants took a pledge to take responsibility for their actions to improve the world, particularly in relation to water conservation and environmental sustainability.

The event concluded with a vote of thanks delivered by **Mr. M. Ponraj**, Assistant Professor, Department of Civil Engineering, leaving all attendees motivated and inspired to contribute to a better, more water-sustainable future.
