HANDS-ON-TRAINING REPORT ON 15/09/2018

"HANDS-ON-TRAINING ON DATA WAREHOUSING AND BUSSINESS INTELLIGENCE "

Our Department conducted Hands-on-training on "Data warehousing And Business Intelligence" on 15/09/2018 in MCA Lab – PG Block. The function was started around 9:00 A.M with Prayer song and inaugurated by MCA Department Head Dr. R. Kesavan with a Welcome Address and Introduction of the Resource Person our Alumni **Mr. Francis Suthakar, Senior Datawarehouse Engineer , *Infosys* , Ramanujam IT Park, Chennai .**

The students from Second and Third year MCA has Participated in the Hands-on-training. The session was very useful for second year and final year MCA students. It was started with an introductory presentation about Data Warehousing and Business Intelligence, then he explained in detail about the basic components of data warehousing architecture and the tools used. The Demo training covered the Exercise to create a data warehouse and extract data from the warehouse using tool Pentaho Data Integration .The students successfully created a database in the warehouse and loaded it successfully using the tool.

The Hands-on-training was very useful for all the MCA students and everyone gave good feedback about it. The Hands-on-training came to an end with the vote of thanks.
