

**JAYA ENGINEERING COLLEGE-THIRUNINRAVUR**

**DEPARTMENT OF COMPUTER APLICATIONS**

**SEMINAR REPORT ON 10/02/2018**

**“SEMINAR ON BIG DATA SECURITY USING BIOMETRIC”**

Our Department conducted a Seminar on Big Data Security Using Biometric on 10/02/2018 in MCA Lab – PG Block. The function was started around 10:00 A.M with Prayer song and inaugurated by MCA Department Head Dr. R. Kesavan with a welcome Address and Introduction of the resource Person **Mr. M. Navaneedan / State Resource Person, Unique Identification Authority of India (UIDAI)** and **Mr.Manoj / Team Lead, Accenture,Chennai.**

The students of first, second and third year MCA has Participated in the seminar. The seminar was very useful for second year and final year MCA students. Some of the topics from this seminar covered II and IV unit of the subject security in computing (Integrity and Reliability, Consistency and Recovery in Databases) for second year MCA. The students of final year MCA clarified many doubts regarding their project works. The Resource Person Mr. M. Navaneedan, In his presentation he mentioned about Aadhar security and maintenance by Government of India.

Another Resource Person Mr. Manoj chakaravathi alumni of our department accompanied with Mr. M. Navaneedan and explained about the Oracle Database concepts – Normalization, Redundancy in Database with real time examples. The seminar was very useful for all the MCA students and everyone gave good feedback about the seminar.

The seminar came to an end with the vote of thanks by Dr.R.Kesavan.
