# WOMEN EMPOWERMENT CELL

ORGANIZED

## "Webinar on Women Safety and Security in Social Media"
on
08th March 2021

Jaya Engineering College- Women Empowerment Cell organized Program on **"Webinar on Women Safety and Security in Social Media"** on International Women's Day for Female Student (All Department / Year) Teaching and Non-Teaching women employees. The program started with invocation followed by the welcome speech by Dr.Rajendran, Principal / JEC. The chief Guest **Mrs. Kavitha Srinivasulu** GAVS Technologies, addressed the gathering. She gave a vibrant speech on Women's Safety and Security in Social Media. She highlighted some points on how to be safe in the society and in the Social Media. She mentioned the way in which the women get trapped in the social media and gave some tips to safeguard themselves in the traps. It was very much interactive and informative session. Volunteers interacted with the Chief Guest and clarified their doubts. Then the vote of thanks
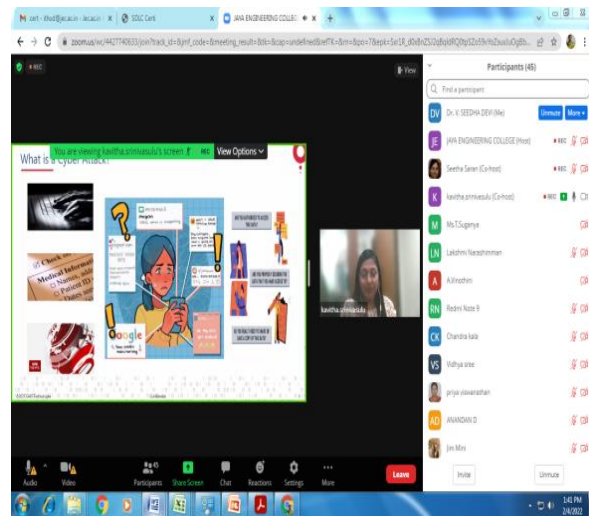

was given by Mrs.V.Seedha Devi, Coordinator, WPC- JEC. The Webinar came to an end with a

National Anthem.
