The screenshot displays a video lecture interface. The main content is a Microsoft Word document titled "String Operations: String.h". The document lists the following functions:

- `strcat()`
- `strcmp()`
- `strcpy()`
- `strlen()`

Below these, it says "other functions" and lists:

- `strncpy() – strncpy(s1,s2,n)`
- `strncmp() – strncmp(s1,s2,n)`

A small inset video in the bottom right corner shows a man with a beard and glasses, wearing a green shirt, speaking. The video player controls at the bottom show a pause button, a volume icon, and a progress bar at 1:41 / 45:26. There are also icons for closed captions, settings, and a full-screen button.
