JEC- REPORT ON TECHKNOW 2022 EVENT

INTRODUCTION

Basically TECHKNOW 2022 has arranged provides an opportunity for a "dream" of a student to become a "reality" if a student wants to be Employed - make him be aware of Employer expectations and prepare him. If he wants to be Self-Employed support his ideas with hand holding and linking with support systems,

Techknow in partnership with Anna University and Consortium of Indian Associations (CIA) as TECHKNOW 2022, which took place on 22nd and 23rd of April 2022 at Anna University, Chennai. The contest will be open to all the universities, colleges in entire India to enable them to exhibit their best skills, innovative projects Ideas

The objectives of the TECHKNOW 2022 are mainly to

1. **EMPOWERING EMPLOYABILITY OF STUDENTS** – it was a 2 days of Seminar sessions spanning different areas of **Sun Rise Sectors - E Vehicle. Sustainable Energy Systems, Emerging Technologies in Core Sector, BIO Medical Instrumentation, Defense & Aero Space, Fintech and Infrastructure & Logistics** with presentation by Industry experts on what is required and how students are groomed to be employable.

2 **IDENTIFICATION OF START UP ENTREPRENEURS**- it has invited proposal of Ideas/Projects done by students from various Engineering Institutions across India which will be evaluated and selected by an Eminent Jury panel. The best of 3 Ideas/ Projects was selected and Further they have been considered by AIMO and Anna University Incubation Conference Future Best Start-Up Enterprises.

3 RECOGNIZE BEST PERFORMERS, LIFETIME ACHIEVEMENT AWARDS

4. TALENT & JOB FAIR - Education, Knowledge and Skilling must culminate in the youth getting the Right Job'. To facilitate this, all those who attended TECHKNOW 2022 Seminar would be given an opportunity to attend on the Spot Job Interview by companies.

5. EXHIBITION - We provide an opportunity for Emerging Technologies, few select Start-Up, few supporting Institutions, Sponsors to showcase their Products and Services in the Exhibition.

This event has Two Specific Areas of Activities:

1. TECHKNOW 2022 SEMINAR – it took place as a two day seminar with renowned speakers from Industry. Subjects covered would be on Job opportunities in various Sun Rise Sectors, Expectations from the Employers, Prospects and Growth Potential - useful to Students and Placement Officers.
