Outcome	Inplant training gives practical knowledge to the students and explains how industry works, revealing the students to a real working environment and increases their knowledge and skill from what they have learned in the college. This helped them to enhance their employability skills and make them job-ready with real corporate exposure.		

Department of Textile Technology arranged a Program on the "**Filed visit-Inplant training**" held on August 2023 as 3 days program to the Garment Industry.

Deputy General Manager C.Gangadharan, Gainup Industries India Pvt.Ltd., Dindugal., initiated speech on the objectives, about the interaction between JEC and GUIPL, growing the benefits, building fruitful & mutual relations also proposing to offer different programs of mutual interest as agreed by the both. Further he explained about the technical assistance and guest lecture provisions to our students and faculties. Also He elaborated the session through how they will provide the training sessions, workshops, conferences, etc., via this agreement.

Finally He ensures about the approval of R&D Projects to be carried out in the premises, which promotes the research and educational activities of students and faculties. Also Explaining the possibilities of providing consultancies and Placement opportunities for JEC students both UG & PG.

The vote of thanks was delivered by **Mr.L.Nagarajan**, Associate Professor, Department of Textile Technology, Jaya Engineering College. He started by thanking the GUIPL, Dy.GM C.Gangadharan, for spending such a quality time to the development of both JEC and Students, next Principal, for supporting this event to made possible and gave best wishes to all students and faculty members for delightful and successful day. As per the feedback received from the participants it was very good learning experience, this program helped them in understanding the mutual relationship between the JEC & GUIPL which will inturn make them deep roots to more knowledge nurturing and Placements opportunities.
