Department of Management Studies conducted a workshop on the ” **TALLY PRIME WORKSHOP**” held on 26-04-2023 through offline mode, at Business Communication Lab, PG Block in our institution. The Event started at 11.00 A.M with a warm welcome address by the Dr. L. subburaj, HOD of MBA, Department of Management Studies, JEC.

The session was started by the resource person **Ms. Mahalakshmi M, Finance Consultant, FIIT FORMACION PVT. LTD.,** on “**TALLY PRIME**”. The resource person has kindled the curiosity of the entire student participants on their innovative thinking and idea formulation to expand the workmanship with efficient operations. The session mainly focused on “Basics of Tally Prime software and its practical uses”, and how to create innovative ideas towards its progression. It is a certification based workshop hence the students and faculties were given the workshop certificates.

In the beginning **the Resource Person** gave the introduction on how the basic procedures will be followed for the general process concept. Later Madam Speaker, clearly explained the different types of Process techniques & its applications. She Explained along with the Career growth and about challenges involved in process design. The vote of thanks was delivered by **Dr. Rushit Gnanaroy. E, Associate Professor,** Department of Management Studies, Jaya Engineering College. He initially thank to the management, Principal and gave best wishes to all students and faculty members for delightful and successful day. As per the feedback received from the participants it was very good learning experience, this workshop helped them in understanding, about promote the tally software and familiarize it with the students for their utilization purpose.
