DETAILS OF JOURNEY

Department of Business Studies, Jaya Engineering College had organized an industrial visit on 28th December 2023 to Adani ports and Logistics located in Ennore for the students of MBA (1st and 2nd year).

The visit was organized by Department of MBA, Jaya Engineering College.

Assistant Professors Ms. P. Vaishnavi, Ms. M. Karthika and Ms. Sweetilin Jenisha were the faculty coordinators for the industrial visit.

We started travelling from the college campus at 90:30 am via our college bus. Totally **25 students** along with **3 coordinators faculty** were there in the journey.

COMPANY PROFILE

Our Port Businesses

Adani Ports and Special Economic Zone Limited (APSEZ Ltd.) is India's largest private port operator and an end-to-end logistics provider. In less than two decades, we have built, acquired and developed an unparalleled portfolio of ports infrastructure and services across India. Our 13 strategically located ports and terminals represent 24% of the country's port capacity, demonstrating our vision that when it comes to servicing core national needs,

Adani Ports is prepared with scale, scope and speed.

Ennore Terminal

Adani Ennore Container Terminal (AECT) is a state-of-the art box terminal 30 km north of Chennai Port. Located strategically AECT offers 24x7 congestion-free approach roads for seamless cargo movement and on-dock rail siding services to Bengaluru presenting deep hinterland reach. It's also well connected to all Container Freight Stations (CFSs) in the primary hinterland of Chennai and 4 National Highways.

Growth with Sustainability

PSEZ recognizes that the focus on the societal impact of businesses and performance on wider ESG factors have increased in recent years, with growing interest from a range of stakeholders.
