**Feedback Analysis Report**

After taking Feedback from Students, Staff, Alumni and Employers some of the points were keenly observed and discussed. There after solution were proposed for the same.

S.No	Questions/Issues	Action Taken
1.	Elective offered in relation to the Technological advancements	A formal representation has been sent to Anna University in order to offer more Electives that reflect latest technology in each branch. Accordingly Anna university and Government of Tamilnadu have started Naan Mudhalvan Programme in all its Affiliated Institution to update student with latest technological developments
2.	Offering of the major courses in relation to the specialization streams	We are already conducting many value added courses and internships Now we will conduct more value added courses and internships with prestigious industries and companies
3.	Request to provide out station tours for students	The issue has been discussed with management and consent has been given for III year and final year students to go on outstation tour yearly once
